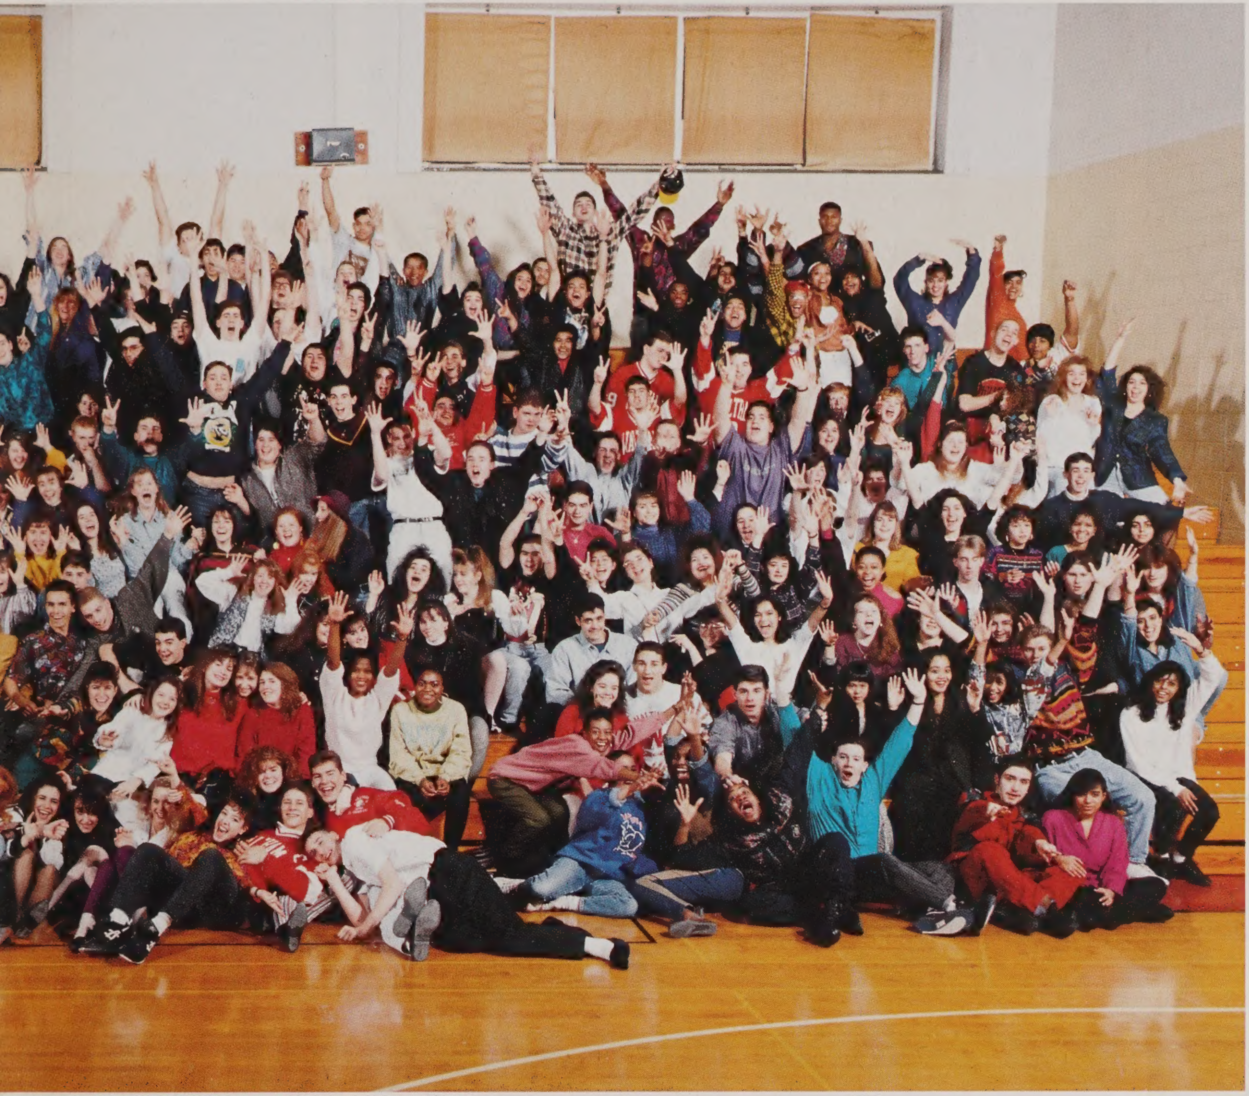
SENIORS



As we take one last walk
and stop in one last hall,
And as we say our last good-bye
We break down and try to stall.

Like a single wink, before we could think,
time has drawn the line.
I smile through my tears as I recall
that cold morning of September '89.

We arrived on a nightmare and
prayed for a dream
The years brought us together,
strangers became a team.

From the very first dance to the Senior Prom
we laughed right from the start.
Now as our dreams turn to memories we realize
how hard it is to part.

The "Great Wide Open" calls us now
with new destinies and new skies,
We'll meet new friends but remember the old,
as we treasure the memories of each good-bye.

A new place to work, a new place to learn
a chance to look ahead.
Our high school days have taught us well;
we no longer need to be led.

So all our thanks to the special folks,
who helped us to listen and see,
The "Great Wide Open" has sounded the call
and so into the world advances the Class of '93.

Guidance and knowledge were given to the Class of 1993 by the outstanding faculty of Waltham High School . From the moment we walked through the open doors of the high school as freshmen, we were given information and direction to lead us to a successful graduation. The Class of 1993 and all other Waltham High School classes owe a large debt of gratitude to the school committee, administration, and faculty for their hard work, dedication, and never-ending effort to bring us to our full potential.

YEARBOOK DEDICATION

Mrs. Mary Antonellis

Was it at Atlantic Union College that Mrs. Mary Antonell learned patience, or was that virtue as well as countless others, always with her? Where she got them does not matter. What i important is that she shared them with Waltham High School for ten years. She started in 1982 as a switchboard operator, then moved into the guidance office. In 1987 she joined Mrs. McCormac's house office staff, and in 1989 the Class of 1993 first encountered her.

"Mrs. A", as she is fondly called, had the ability to keep a cool head under great stress. Daily she dealt with office pressures as well as constant requests for the bathroom key, a phon that seldom stopped ringing, and students who would just "die" she did not help them with one thing or another. While many others would have been tearing their hair out or finding a new job, she stuck with us until our senior year. When it reached th point where she knew more about us than we did, she realized that we had grown up enough to take care of ourselves - almost It was then that she turned her little package of four hundred occasional angels over to Mrs. Arnold.

She helped all of us in subtle ways for more than three hi school years. For this help and for the ten years she gave to W.H.S. we dedicate the 1993 yearbook to Mrs. Mary Antonellis. We thank you, we love you, and we'll miss you.

Ms. Deborah Peros-Finnell

Ms. Deborah Peros-Finnell is a teacher who has enlightened and ched our lives during our years at Waltham High School. A graduate of rtheastern University, she began teaching drama at Central Middle ool. She then broadened her curriculum and came to the High School. From 7:40 to 1:40 Ms. Peros-Finnell teaches Drama I, Drama II, ngual Speech, and Stage and Body I and II, a class she created. She in long hours both before and after school to make her students shine on e. After a day full of energy, laughter, and learning, she goes to her nd job as a dance teacher. When she finishes teaching a variety of classes ie dance studio, she returns to the High School as often as three times a k to work on one of her incredible shows. She also puts in long, somes frustrating, hours working with kids on Sundays. The shows that she ks on include musicals, Senior Revue, and Dance Theatre. Dance atre is a popular dance concert that Ms. Peros-Finnell created. It ıdes over ninety students. It is "her baby."

At the end of the school year, Ms. Peros-Finnell's talents are extended to h summer theatre. She works with children ranging from preschool to school.

Ms. Peros-Finnell does not just walk through a corridor or any other of the High School. She takes it over, livening and waking up the entire ling. She is a teacher who will never by forgotten by all the students she touched. We can not express with words the love and enthusiasm we feel his woman and teacher. Meeting her once shows what twenty pages of ls could not say. We hope this award acknowleges her dedication and love for her.

The Class of 1993 would like to say, "Thank you, Debbie, we love, eciate, and treasure your generosity."

Mr. Thomas Leverone

Quiet, calm, and patient are words that do not describe Mr. Thomas Leverone. Words like tireless, dedicated, and boisterous are more fitting.

A graduate of Arlington High School, Lev, as he is fondly called, earned his Bachelor of Science and Masters in Mathematics at Boston College. Students wonder if it was there that he learned how to teach not only how to calculate the speed of train A, but also how to get students interested in and excited about learning.

Mr. Lev gives 110% to each and every one of his classes. He shows students that learning can be a good experience, maybe even fun. Twenty-five years ago Mr. Leverone joined the teaching staff of Waltham High School. Since then he has inspired countless students and coached the Jayvee Softball Team. Mr. Leverone is one of the best and most beloved teachers at Waltham High School. This is why he has been honored with one of the Yearbook dedications.

Mr. Leverone, from the class of 1993 and the many other students you have touched, thank you for never giving up on the students who always say, "I don't Know" and for implanting the drive to succeed in so many others. You will live forever in our memories and in our hearts. We will always be indebted to you.

VOCATIONAL DEDICATION

John Holihan

In September 1969, this man moved to Waltham from Texas and started teaching at the new Waltham Senior High School. He would remain at Waltham High for twenty years teaching Power Mechanics on small engines. Also during that time he continued racing his car, his personal pride: the Ford Pinto. But it actually performed like a Porsche. The fire-engine red Pinto was constructed almost entirely from junk parts. A search through junk yards gave enough parts for him and his students to transform the 86-horsepower subcompact car into a 200-horsepower machine capable of doing a respectable 110 mph on a straightaway. Seniors in his shop got to play the pit crew.

Our man transferred to the Vocational in September, 1989 where he has continued to be a fine teacher. Since then he has retired from the racing world. But he is never too busy to help out a student or a friend on their car.

There is just not enough time to get into all the things this man has done for Waltham. But we will have plenty of memories of this man.

Joseph McCusker

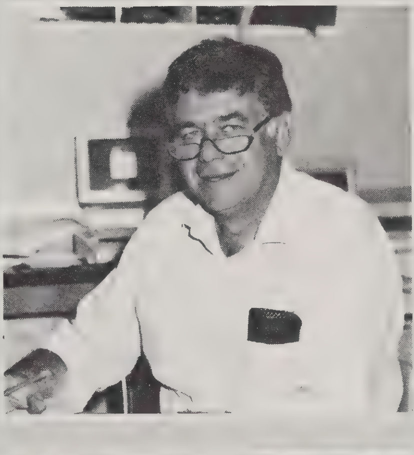
Waltham Vocational High School would like to dedicate a portion of the 1993 Yearbook to a teacher who has been with the Waltham Vocational High School for many years.

This individual graduated from St. Mary's High School, Waltham in 1945. Where he was named captain of the football and hockey team.

After graduating from St. Mary's, he entered Boston College, to pursue a degree in Liberal Arts. In 1951 he decided to further his education and received his Master of Education degree from Boston State College.

He has completed 26 years of service in the Waltham Public Schools as an academic instructor in English/History/General Math and Science.

Now if this is not enough to have kept this teacher busy he would become the proud father of 11 children, and 18 grandchildren. Yes - that's right - 11 children/ He is a teacher who always stressed the importance of using proper English. Proper conduct in the class and homework assignments on time. At the time we didn't think it was important but after a week out of school, we understand Mr. McCusker. It is with great pleasure the students of Waltham Vocational High School dedicate our portion of the Yearbook to Mr. Joseph McCusker.



INTO The GREAT WIDE Open

SPORTS

Again this year, the Football Team provided Waltham, both the school and the city, with a thrilling season. The members of the 1992-93 football squad will remember the excitement of a 10-1 season and the pride they felt at being named Co-Champions of the Greater Boston League.

As the fall progressed, WHS saw the great successes of teams such as Golf and Soccer.

The winter season brought more of the victories that WHS is used to. The Girls' Basketball Team came within one game of the State Finals at the Boston Garden. The Ski Team also had a successful season in which they won the Massachusetts Bay State East Division Championships. The Wrestling Team produced Champions Ryan Robichaud and Peter Cameron, who made it all the way to the finals of their respective divisions. New to the winter season and co-ed competition was the Greater Boston League Champion Swim Team.

The spring season brought us the Softball Team, which made it all the way to the States under head coach Joe Salvo. The other spring teams, such as Boys' and Girls' Tennis, Baseball, Track, and Lacrosse did not make it to the finals, had the satisfaction of competing and giving their all for an entire season.

As we turn these pages, we open our minds and allow ourselves to remember the hard fought defeats, and the triumphant victories.

"The Hawks opening to the superbowl was closed by Arlington , but they still became Co-Champions of th Greater Boston League."

Football

The Waltham Hawks came into the 1993 season to compete in the Greater Boston League. Their schedule was bookended with two Superbowl picks: Weymouth and Walpole.

Waltham opened its pressure-filled season with Weymouth. This team, stacked with a powerful offense was not able to overcome the mighty Hawks. They finally crumbled at the feet of Steve Patten, kicker of the winning field goal.

Waltham maintained its winning status with victories over teams like Medford and Somerville, but October 30th is the day that will live in infamy in the hearts and minds of the Hawks. The defending Superbowl Champions could not overcome the Arlington Spy Ponders. The Hawks were stopped by Arlington's 20-6 victory.

The Hawks did not let this setback defeat them. Led by halfback and Co-captain John Ferguson, Tailback Francois Joseph, and Lineman and Co-captain Dana Vittum, the potent offense went on to score 103 points; the explosive defensive line, supported by Derrick Gauvin, Ryan Robichaud, Steve Febonio, Mike Vasquezi, and C. Anthony Roane, shut out the opposition in the next four games.

The biggest game of the season came on November 26th, Thanksgiving Day, when Waltham pummeled Walpole in a 21-0 romp. The Hawks ended the 1992-93 season with a record of nine wins, six of which were shut outs, and one loss. This record earned them the title of Co-champion of the Greater Boston League. None of this would have been possible without the support of all and the hard work and

Football Cheerleading

The Waltham Hawks football team had a banner year. With months of hard work, strong will and eagerness, their efforts paid off.

Their rewards were due to their ability and dedication to be the best. However, thee results could not have been achieved without the tremendous coaching of Dan Keohane and his assistants.

For cheerleaders the effort was easier because they had a team they were proud to cheer for. The support received from the football team and the fans made the cheering more spirited, enthusiastic, and exciting.

Although some do not consider cheering a competitive sport, participants put a great deal of physical and mental effort into their activities.

The football cheerleaders accomplished a great deal this season. Most notably, they placed first for their dance routine and received the Leadership Award at the Universal Cheerleading Association camp during the summer. They placed second at the Emmanuel College Dance Competition. Additionally, tri-captains Jennifer Croteau, Brenda Juppe, and Cheryl Norris were selected All-Star cheerleaders and represented the United States in the Lord Mayor of Westminster's new Year's Day Parade in London, England.

Despite long days of training, sore muscles and rainy football games, everyone worked hard for a common goal, and respected each other as individuals. Jane Mula and Jacqueline Antico, were coaches, leaders and friends. Without their support this season's goals would not have been attained.

Boys' Soccer

The boys' soccer team, under new head coaches Calvin Bernard and Roger Becker, compiled a record of 5 wins, 9 losses and 4 ties. The team was very competitive in all of its games.

Some of the season's highlights included big wins over Malden and Everett. The offensive firepower came from sophomore forward Tim Puglielli, who scored 11 goals. Other key forwards included seniors Ari Dey and Nick Duran.

Senior co-captains Mike Wilder and Mike Andriolo played exceptionally well on defense. Andriolo was a tough goalie and a good team leader. Wilder played sweeper most of the year and led the team with 9 assists. Senior Watson Etienne was the spiritual leader, while playing his defensive position.

Seniors Erich Kresser and Brian Brannelly were true team players who sacrificed themselves a great deal to contribute to the team's success. Other key defenders were Joe Kelly, Jamie Tamburrini, Serge Frederique and always dedicated Paul Piantedosi. The team was rounded out with senior Demosthenes Dominque who was the rock of the team and most valuable player. The team's MVP played every game as if it were his last, and this was reflected in the team's attitude.

Girls' Soccer

The 1992-93 season of W.H.S. Girls' Soccer was led by Captain Brenda Burke who called it "a frustrating season." Due to the loss of many graduating seniors of the class of 1991-1992, the the team was faced with rebuilding.

The team was composed of a number of young and inexperienced players. The seniors led the team to a 5-10-1 season, fourth in the league.

The highlight of the season came during the final games when the Lady Hawks competed against Newton North, the #2 team in the nation who went onto become State Champions. The Hawks, who were clearly the underdogs, rose to the occasion. There was a 0-0 tie at the half. The Tigers came out roaring in the second half, but the Hawks held them to a 2-0 score. This was an incredible accomplishment for the young team.

This year the team graduates ten seniors including co-captains Brenda Burke and Hillary Rooney, Joanna Bolles, Susan Brown, Deanna Smith, Rachel Cormier, Jennifer Delaney, Cheri Demeo, Mandy Mullaney, and Sandra Swisher. These girls leave W.H.S. a soccer traditon of pride, intensity, and commitment. The seniors give their best wishes for a great season to next year's team and its leader, Captain Jennifer McLean.

Volleyball

"It was the best of seasons, it was the worst of seasons."

That is a pretty accurate way to describe the 1992 girls' volleyball season. They had their fair share of 3-2 matches, which shows their determination and persistence. Unfortunately, they ended with a final record of two wins and fourteen losses. This record does not reflect the efforts and abilities of individual players. Two players who were recognized for their outstanding ability were Greater Boston League All-Stars, senior Kristin Nigloschy and junior Stacey Connors. At awards night Kristin received the Outstanding Varsity Award, and Stacey received the Rookie of the Year Award. Senior co-captain Kristen Henry received the Coaches' Award.

This year's varsity team consisted of players with an array of abilities. They were covered at the net by senior hitters Teri McHugh and Sam Dutily,and junior hitters Rebecca Kiley and Stacey Connors. Also contributing to the Lady Hawks' game were setters Kristen Henry, junior co-captain Beth Deschenes, and juniors Octaviana Loi and Linda Larkin. The game also depended on serving. Although everyone on the team served well, the most reliable servers were senior Amy Taso and junior Kerstin Lindgren.

The girls' junior varsity team was made up of a few veterans and several newcomers. Some of the girls had never played

volleyball before,but they came up with a record of seven wins and nine losses. This can be attributed to the spirit and determination of the team, which was captained by senior hitter Kerrie Donavan and junior hitter Jen Allen. Other seniors who contributed were setters Linda Velez and Margaret MacDougall. Margaret also provided comic relief for the team when their spirits were down. The talents of Irene Ohanessian,Kerrie Donavan, and Christine Cox,the teams official French-braider, made for a powerful group of hitters. The seniors proved to be dependable setters who got the team out of many close matches with a win.

Both teams were well-rounded and both knew their share of struggle,work, and the excitement of winning.

Boys' & Girls'

Cross Country

The 1992 Girls' and Boys' Cross Country teams showed strength throughout a tough season. Both teams were unusually small. The girls with five runners, just met the minimum team requirement, and the boys, having only nine runners, also struggled. The girls' co-captains, Joy Wesley and M.V.P., Beatrice Gautheir, and the boys' co-captains, Bob Griffin and Chirayu Patel, led their teams to a win over Malden. That was the only win the boys could claim, but it was due to the strong performances of the co-captains, Matt Philpott, Peter and Jude Seminara, Meehir Patel, Mike King, Steve Revesi, and Jimmy Leoni.

The girls' team had a win over Somerville as well as the win over Malden. The small team, which includied seniors Ann Jones, Lourie Pouliot, Beatrice Gautheir, Joy Wesley, and junior Kim Sayer pulled together for these wins. Both teams showed that strength does not always come from numbers.

Rick"Hurry up and take the picture, my arms are tired"

This year's golf team finished with a record of eight wins, five losses, and two ties. Fortunately, this year was more successful than past years. Senior golfers that contributed to the team's success were Ricky Burke, Steve Richard, Kristen Savoy, and Captain Tom Furey. Many underclassmen also contributed a great deal.

During post season play the Hawks entered three tournaments. Ricky, Steve, and Tom represented Waltham at the Sullivan Tournament. Tom fired a 78 and captured the Sullivan Crown. Steve shot an 85 and finished a strong fifth place.

At the G.B.L. Tournament, Ricky was Waltham's star. He tied for third, shooting an 83. Tom struggled for fourth place, shooting an 85, and Steve shot a 93, placing tenth.

Although Waltham finished eleventh of eleven teams in the State Tournament, they still had an enjoyable and successful season .

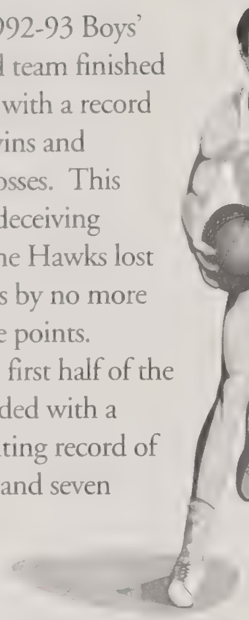
Boys' Basketball



The 1992-93 Boys' Basketball team finished its season with a record of eight wins and thirteen losses. This record is deceiving because the Hawks lost five games by no more than three points.

The first half of the season ended with a disappointing record of two wins and seven losses, so the Hawks were determined to make a change in the second half. They did this by winning five more games. The team entered the state tournament and defeated St. John's Prep before losing to the number one seed, Andover.

Some of the key performances of the season were turned in by League All-Stars Rick Burke, Mike Wilder, and Myles Lawton. The team was controlled by two senior point guards, Steve Patten and Greg Metallides. Other key players included Serge Frederique, Tom Furey, and Demo Domique. John Powers, Joe Cincotta, Charles Jacobs, Marc Baptiste, and Brian Wilder are left by the graduating seniors to carry on this turn around in the Boy's basketball program.

The 1992-93 Basketball Cheerleading season proved to be a very exciting experience. The squad enthusiastically cheered the team on to some great victories. The season started with a Universal Cheering Camp at Emmanuel College. This helped bring the squad closer so they work could better as a unit. Fun was had, and many memories were made. Senior Allison Movsessian in particular, will never forget the camp. She became a U.C.A. Cheerleading All-Star, winning the chance to go to London and Cheer in the New Year's Day Parade. She made the trip with Football Cheerleaders Cheryl Norris, Jen Croteau, and Brenda Juppe. This was the chance of a life time for any cheerleader, and Allison deserved this great experience.

The squad had been together for a few years, and despite the stress, the pressure, and the countless hours of hard work, they ended closer and stronger. The memories they made are ones they will always cherish. Saying goodbye will not be easy for Seniors Allison, Teri McHugh, and Captain Kelly Ryan, but they will never forget their years as Waltham High School Basketball Cheerleaders.

Girls and Boys
Swimming

The 1992-1993 season was one of the best for the Waltham High Swim Team. It was a season of adjustment as well, because it was their debut as a co-ed team. Compiling a record of eight wins, two losses, and one tie, the team earned the title of Greater Boston League Champions and proved that change only made them stronger.

Many strong performances led the Hawks to the League Championship. Five swimmers qualified for the Sectional Competition, as did one of the Hawk's relay teams. The individual swimmers, co-captains Donnie Lucente, Shawn Dunton, and Karen Martin, Sean Lord, and Eileen Williams, along with the relay team of Steve Farrell, Maryellen Muchowski, and Jen Wilson showed strength and skill at the tournament.

Donnie, Shawn, and Karen took part in the State Championships. Donnie competed in the 50 and 100 yard freestyles, placing tenth in both. Shawn competed in the 100 yard breast stroke, while Karen competed in the 200 yard freestyle and the 100 yard butterfly. Both swimmers placed in the top twenty-five.

The boys brought a relay to the States. They not only placed ninth, but also broke a school record. The girls' relay team competed in the 200 yard freestyle at the States, as well.

The GBL Championship could not have been acquired without the dedication and talent of every swimmer. The Hawks Swim Team proved that combining a good boys' team and a good girls' team made a Championship co-ed team.

Girls' Basketball

The 1992-1993 Girls' Varsity Basketball team had a very successful season, a season which was said to be "the best ever." It was filled with many memories, friendships, and monumental events. Led by Coach Robert Connors, the girls achieved a "beautiful" record of eighteen wins and three losses. They made it to the State Tournament for the fifth consecutive year.

Although the team is losing seven seniors, Captains Sam Dutily, Caileen Driver, and Brenda Burke, along with Rachel Cormier, Joy Wesley, Rhea Casella, Joanna Bolles, and Team Manager, Nancy Collette, the team has many younger players that showed talent throughout the season. One such player was Stacey Connors. She not only performed the incredible feat of scoring one thousand points in a season, but she also broke both the boys' and girls' scoring records.

The season came to an end when the girls lost to Haverhill in the semi-finals. It was truly a memorable season for everyone involved.

Hockey Team

The 1992-1993 Hockey Season was not a season full of wins, but one full of improvement. Captain Steve Richard led the team, under coach McGuire, to record of three wins, fourteen loses, and one tie. With only three varsity players from the previous season, the players had to work harder in practice and in games. They improved a great deal, especially in the second half of the season. Despite some lopsided loses, the players hung together and exhibited sportsmanship throughout the season. The Seniors, Dan Felton, Jeff Centefanti, Steve Morin, Keith Harrington, and George Zaino also put in great effort throughout the season.

Hockey Cheerleaders

The 1992-1993 Hockey Cheerleaders had an excellent season although only four seniors remained on the squad of fifteen. They were Jennifer Cavicchi, Gabrielle Leblanc, Mandy Mullaney and Kim Parrella. The team worked exceptionally hard throughout the season. The hard work and dedication shown by the squad made the season a great success.

The first game proved that the hours of practice and preparation had paid off which was also apparent at the winter sports rally. This was one of the best rallies the Hockey Cheerleaders had ever participated in, thanks to the cooperation of all the cheerleaders and the nine hockey players who also participated. They were seniors Steve Richard, Jeff Centofanti, Steve Morin, Keith Harrington, juniors Dave Cacciatore, Justin Murgo, Jason Campana, Jaime Cashman, and sophomore Mike Losier. Everyone gave 100%. This made not only the rally but also the entire season one of the best.

Ski Team

Both the boys' and girls' ski teams enjoyed success throughout the 1992-1993 season. The girls once again came out on top in the Eastern Massachusetts Division. The boys reached second place in the same division.

Led by their captains, seniors Hillary Rooney and Jennifer Delaney, the girls qualified for the State Meet. Those who competed were Hillary, Jennifer, junior Charlene Leblanc, and sophomores Kristen Rock and Payton Lucas. With this roster and two alternates, juniors Jen McLean and Jamie Leblanc, the girls finished seventh in the State.

The boys also qualified for the States, led by their captains, seniors Gerry Lane and Brian Kiernan. Skiing for the boys were Gerry, who placed tenth in the state and qualified for the New Englands, juniors Mike Connors, Joe McMenimen, Greg Postizzi, and John Porter, and freshman Joe Connolly. With this team and the alternate, Brian, the boys placed fourteenth in the state.

Overall both teams had successful seasons, following past years and hoping to pass their spirit on to future teams.

Wrestling

It was a banner year for theHawksWrestlers. Championship performances from all the wrestlers, especially seniors, Captains Ryan Robichaud,Frank Lombardo, and Eric Gibson, and junior Peter Cameron put the team in good standing as a whole. The team compiled a record of twelve wins and twelve losses. They beat tough competitors like Milford and Framingham.

After the regular season ended, several wrestlers went on to compete in the State Tournament. Eric Delosa, Eric Gibson, Frank, Ryan, and Peter competed and did well. All of them went on to the State Finals. Ryan and Peter placed second in their respective divisions. All the wrestlers who competed for Waltham at the Finals were named "News Tribune All Stars." The season was a great success on the whole, thanks to hard work of all the wrestlers, including seniors Alex Scalisi and Al Disilva. Without their effort and determination the Waltham Hawk Wrestlers would not have had the impressive season they did.

Girls' Softball

The Waltham Varsity Softball team experienced a very successful 1993 season. With the return of almost all the players, the Lady Hawks had everything in sinc which soared them into first place in the GBL.

Defense was solid, but they struggled offensively. The Hawks, however, never gave up. Eventually, the Lady Hawks grew stronger by contributing some key hits in important games

The senior infielders Lisa Passerello, Sam Dutily, Brenda Burke and Stacey Gamble and senior outfielder Julie Ward managed to keep the Hawks strong the entire season by [illegible] Everett at both outings. This big accomplishment was a great feeling considering Everett knocked the Hawks out of the quarter finals in the 1992 season.

Senior co-captains Sam Dutily and Brenda Burke helped keep the team together. Senior pitcher Stacey Gamble and sophomore pitcher Alyssa Ricci also played extensive roles to keep the Hawks moving and winning.

With an 18-2 record the Hawks moved onto the tournament as one, facing Acton-Boxboro in the first round. A close contest, however, the Hawks couldn't come through and lost a tough game 3-2. Yet, the Hawks still became the 1993 frist place champs in the GBL, which is an accomplishment that will always be remembered by everyone.

Boys' Tennis

The Boys' Tennis Team proved to be one of the strongest in recent years. Although a 3 and 11 record doesn't seem impressive, the team was in every match, dropping 5 by 2-3 scores. A few calls their way or some other breaks, and they would have been even for the season.

The strongest players on the team were G.B.L. All-Stars, seniors Chris Jensen and Bob McKenna. They played solid tennis at the number one doubles slot and amassed 11 wins and 3 losses. Other seniors who played hard were Joe Agostino and Mike Forte at numbers 1 and 2 singles; Brian Kiernan, who won half of their successful number 2 doubles, and Manan Bhagada, who also played doubles.

Don't strain yourself, Rachel!

Girls' Tennis

The 1993 Girls' Tennis Team saw the emergence of formerly unrecognized players due to the absence of three top seated players. Whether due to injury or early college departure, three of Waltham's top players were lost. Junior Jen McLean and Sophomore Michelle Savoie were lost to soccer injuries and Anncy Marangoly started her studies early at Rensselaer Poly-Technical Institute.

The players that replaced Jen, Michelle, and Anncy were players like Rachel Cormier, Lorie Mills, and others who were not accutstom to Varsity play. These players seemed to blossom in the second half of the season after gaining experience.

The Tri-captains, Amy Tsao, Swati Patel, and Christine Drechsler led the team to a second half rally that brought about most of the teams wins.Once the team had gained the necessary experience they began competing fiercely in the Greater Boston League. The second place team, Peabody, was one of Waltham's greatest victories.

That, along with other victories and two-three matches showed the teams great improvement. Shannon Collins, Kirsten Lindgren, and Jen McLean hope to lead the team next year as well as Amy, Swati, and Christine did.

Although the 1992-1993 Lacrosse Team, led by Captains Joe Kelly and Matt Puglielli, with Seniors Dave Morgan, Dave Carvelli, Eric Stalmon, Jamie Tamburrini, and Mike Vasquezi, did not win many games, they always played with pride. The team improved on the previous record of 0-18 by one game. That game showed the improvement that the team made throughout the season.

Baseball

The 1993 Hawks' Baseball season was led by head coach Al Scafidi and captains Greg Metallides, and Steve Patten. The record of ten wins and ten losses was achieved by the skills of all the players.

Hitting was led by Greg, and defense was led by Frank Lombardo and Joe Cincotta. All the seniors, Derick Gauvin, Eric Delosa, Erik Kiliulis, Eric Gibson, Dave Florio, Joe Bonica, and Jay Ferrazzani, gave 100% in games against tough teams like Everett and Arlington. Their determination led the team to some great victories.

ARTS

Waltham High School is known for its excellence in athletics and academics. It is also known for the outstanding arts programs that show off student talent at competitions around the country as well as at local performances.

Music Unlimited proved their talent at the Shepard Hill Festival when they took first place. The Marching Band took second place at the State Competition. The Orchestra, Wind Ensemble, Jazz Choir, Jazz Band, and other choral groups entertained audiences throughout the year. The Drama Department performed the musical *Anything Goes,* and the plays *Museum,* and *Stage Door,* which played for appreciative audiences.

The experiences of the teachers and students involved in these endeavors are shown in these pages. As the pages turn, memory vaults open, and the work, competition, laughs, and of course, friendships come flooding back.

Senior year is one of the most stressful and important years of a student's school career. It is the year when the choices that are made will greatly influence the future. The year is crammed with applications, recommendations, interviews, school work, and for some a job on top of it all. However, among all the stress and deadlines there were several senior activities that helped us forget some of our responsibilities, to let our hair down, loosen our collars, and get to know each other a little better.

These activities were "ice breakers" and the stress relievers, but most of all they were the best times of our senior year.

HOMECOMING RALLY

Below: "Jay, you could lose a fe

School spirit was the key that unlocked the door to our final year together in high school. Homecoming Week was the perfect beginning to a great year in which everyone was brought together a little more closely.

Dress Up Week started off with a bang. On Monday everyone wore outrageous hats ranging from Jeff Centofanti's helmet to Chris Grinnel's sombrero. Tuesday was like a time warp to the 60's when everyone came to school decked out in groovy tie dyes. Wednesday was a little uncomfortable, but school spirit prevailed and people wore their clothes backwards, just like Kriss Kross (What were we thinking?) On Thursday, Cheesy Tacky Day, Brenda Burke caught our attention as she whizzed through the halls on her rollerblades. On Friday, everyone wore red and white in anticipation of the bonfire rally. At the bonfire the Homecoming Kings and Queens were announced.

The thunderous music of the Marching Band got the crowd cheering while the Football Cheerleaders put on an energetic show. Finally, the bonfire was lit, and the celebrating really began. Shouting and cheering, we left the pit feeling great and ready to beat Malden in the Homecoming Game the next day.

STUDENT SANTA

"Run, run, Rudolph!" Francois Joseph, and Tim Quinn.

Once again the Student Santa Program was a complete success, at Waltham High. The National Honor Society, Student Council, homerooms, and other clubs were full of Christmas spirit. Together everyone was able to make 386 children happy when they awakened Chritsmas morning. Not one child on our list was left unaccounted for.

All week long students and teachers collected money and rushed to the nearest toy store to buy everything they possibly could. The morning of the Student Santa Assembly all of the hard work and dedication was displayed on the stage of the auditorium. There were mounds and piles of gifts; from bicycles to little teddy bears. Everyone was pleased at all that was accomplished; helping the less fortunate.

Santa's Helpers.

SENIOR SOCIAL

The lights were dimmed, the music cranked, and the tree shimmered beautifully at the Paine Estate on December nineteenth, the night of the Senior Social. Everyone was excited. At first they just stood back, looking around, trying to take everything in. Then, after a great dinner, the fun really began when everyone made a rush for the dance floor. They stayed there throughout the night singing, dancing, laughing with friends, and stopping occasionally for breath.

Mr. Cox and Mr. Goodwin had a great time as well conducting tours of the "haunted" Paine Estate. Mrs. Antonellis, Mr. Graceffa, Mrs. Goodwin and Ms. Collins also attended and took a few spins on the dance floor.

When midnight rolled around, the D.J. ended the night with the , "That's What Friends Are For." The night was a great success. It reminded everyone of the fun, the friendships, and the memories the past four years had provided.

Five weeks of long rehearsals, hard work, and a lot of fun came to a close with three great peformances of what was called, "the best Senior Revue of the past ten years." Dances, songs, and comedy skits centered around America in the first act, and in the second act various spots around the globe were highlighted. Some of the performances included Jen Delaney's rendition of "Ohio" and Chris Jenson and the Dancers' "Bankok" number. The MCs, Rachel Cormier, Kristen Henry, Mike Forte, Denise Obsajnik, Margaret MacDougall, and Joe O'Leary, poured their hearts out in "Therapy."

Under the direction of Mr. Mark Proia, with choreography by Ms. Deborah Peros-Finnel, and music direction by Mr. Paul Katz, the Class of 1993's production of "A Whole New World" was a great success. TEACHER APPRECIATION DINNER

Teachers spend all year teaching us, chasing us for work, giving us extra help, writing recommendations, and doing many other things that are above and beyond the call of duty. That is why each year they are honored with a dinner prepared by students who want to say, "Thank You," in even a small way.

Under the supervision of Mr. Cox, a delicious dinner was prepared consisting of meatballs and ziti as the main course.

Mr. Goodwin provided the after-dinner entertainment by organizing a game of 'Name That Tune."

It was an enjoyable evening in which students and teachers could interact in a setting other than the classroom. The evening was a great success because the students got to show the teachers the gratitude they deserve.

DANCE THEATRE

Waltham High School presents Dance Theatre 1993! With the long hours and strenuous rehersals we managed to perform one of the best performances yet. Along with the good and bad times, Burger King runs and Domino pizzas together the cast of Dance Theatre 93' worked with our choreographer Debbie Peros- Finnell, and the help of dance captains Maureen Mahoney, Jay Ferrazzani, and co-captains Caterina Ferlazzo and Cheryl Norris. Together as a whole we fulfilled all the hard work and fun we had putting together a show that excites so many people year after year. Although the reputation is highly vouched for so many reasons without Debbie's dedication and loyalty she would have never made Dance Theatre 93' a year for so many to remember.

NATIONAL HONOR SOCIETY

INDUCTION CEREMONY

The National Honor Society Induction Ceremony was held on May 25, 1993, in the Robinson Auditorium. On that evening twenty-three seniors were inducted into the society. Throughout the year these students had worked with the twelve other members who were inducted into the National Honor Society in their junior year. Together they had organized such events as Student Santa, the Senior Social, and the Teacher Appreciation Dinner.

The mistress of ceremony was Leah Tortola, President of the National Honor Society. She led the group in reciting the National Honor Society pledge and the traditional candle lighting ceremony. Leah, along with the other officers, Vice-president Teri McHugh, Treasurer Christine Cox, and Secretary Diane Demeo, spoke on the four standards of the Honor Society, leadership, character, scholarship, and service.

The Honor Society received words of praise and congratulations from such distinguished guests as Principal, Mr. Graceffa, Senior Housemaster Mrs. McCormac, and Honor Society Advisor, Mr. Cox. Past President of the National Honor Society Jennifer Dean delivered a poem that she had composed about her freshman year at college.

STUDENT COUNCIL

The 1992-1993, Student Council and Student Advisory Council had a great year. They created and followed through with many new activities. It was a year that none of us will forget. Along with the rallies, dances, Gong Show, and Student Santa, the two groups added a few more activities to their busy year. These activities included the Video Dance, Teacher Appreciation Week, and the very popular 50's Dance. None of which would have been done without the efforts of our advisor, Mr. Goodwin. Although it was a lot of hard work, Mr. Goodwin always made sure we had a good time. In March, we headed down to the cape for our Annual Student Council Conference. We obtained many new ideas from other student councils from around the state.

The friendships that were made thoughout the year will never be forgotten and we will always remember student council as being an important part of our high school life.

GONG SHOW

There is one night every year when anyone that wants to try can get on stage in front of a crowded auditorium and give a great performance, or suffer the agony of the GONG.

We remember performances such as "Drum Fever" with Josh Randall, and Joanna Bolles' beautiful rendition of "The Rose", which took our breath away. We also remember performances such as the National Honor Society's "Nerd Brigade" that showed the night was meant for fun and laughter as well as talent. After all the performances, the judges voted and our "Vanna" Cheryl Norris, counted the results, Joanna Bolles was the deserving winner. The night will remain with us as one of many great events of our Senior year.

SENIOR WEEK

These pages show the myriad of events that are crammed into one week, Senior Week. Senior Week is one of the busiest weeks of senior year. It is the culmination of four long years.

Senior Week began with Senior Dinner, an enjoyable evening for students and their parents. The night was full of awards and entertainment. The Waltham High and Vocational High School officers served as hosts. The 1993 MC's of Senior Review appeared one last time to make people laugh, and, of course embarrass a few. The Superlatives were also announced, and the senior Show Choir members reminded everyone that each of us is still just "A Kid Inside." At the end of the evening, the Senior Class Video was unveiled. Everyone felt a little nostalgic.

The next big event was the Senior Prom. It was held at Lombardo's in Randolph, and "O What A Night" it was. The whole night seemed to be surrounded by magic. Nothing went wrong; everything was perfect. The Prom song, "A Whole New World," signified the world we would soon enter. The night was a complete success, and everyone left with wonderful memories.

At the next event, Scholarship and Awards Night, one and a half million dollars in scholarship money was awarded. The students were grateful and excited to receive these awards for the efforts made throughout the school.

June 6, 1993, at two o'clock, the entire Class of 1993 gathered together on Leary Field for one last time. It was finally time to say, "Good-bye," to high school. This was the last senior event for the Class of 1993. Everyone sat patiently until the last name was read. When it was, a flutter of red and white caps filled the air. Although Graduation Day was the closing of our high school careers, it opened up a world of possibilities.

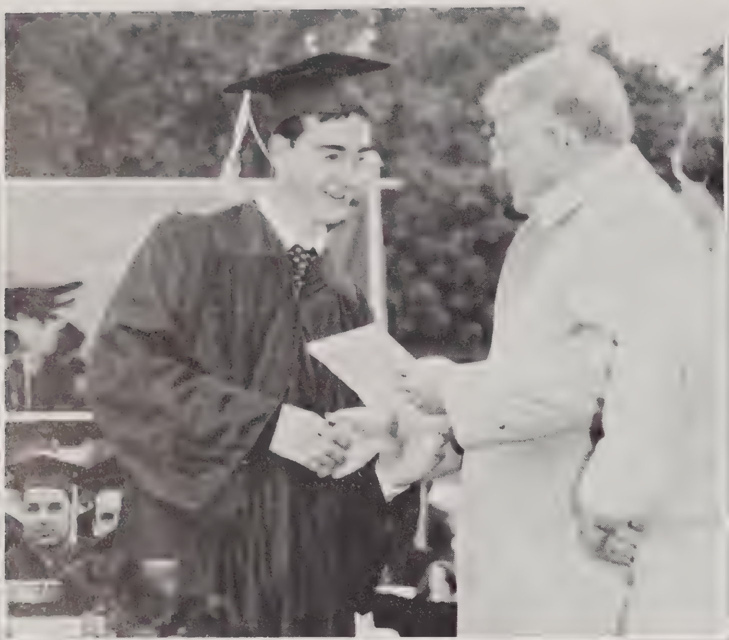
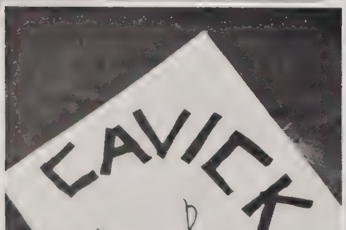
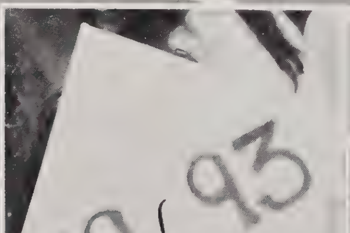
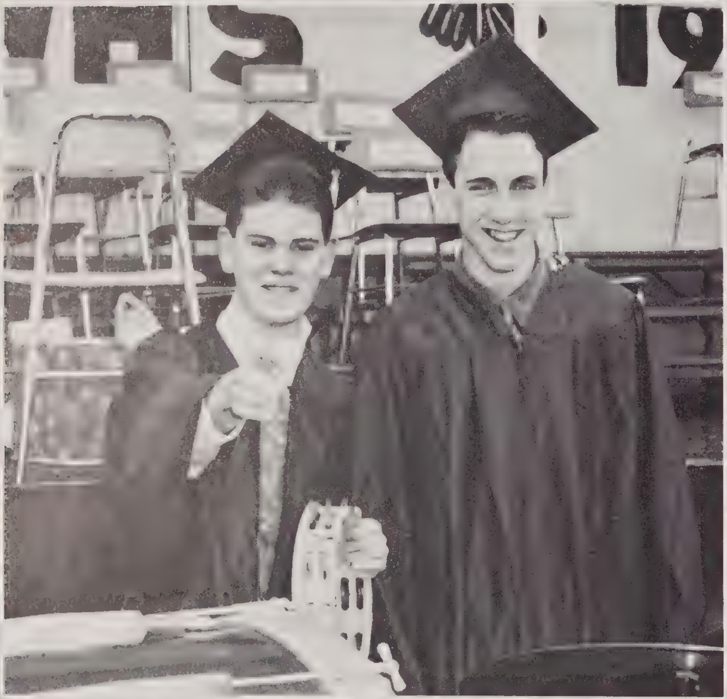
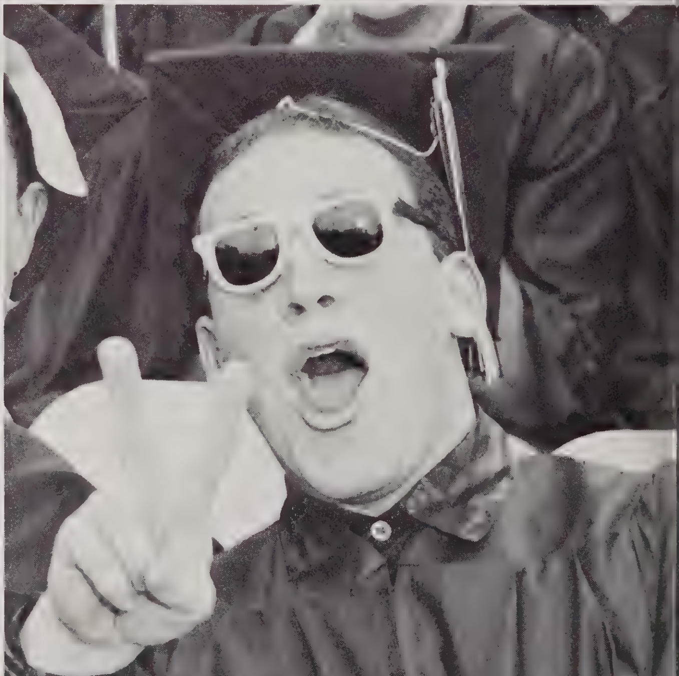
GRADUATION

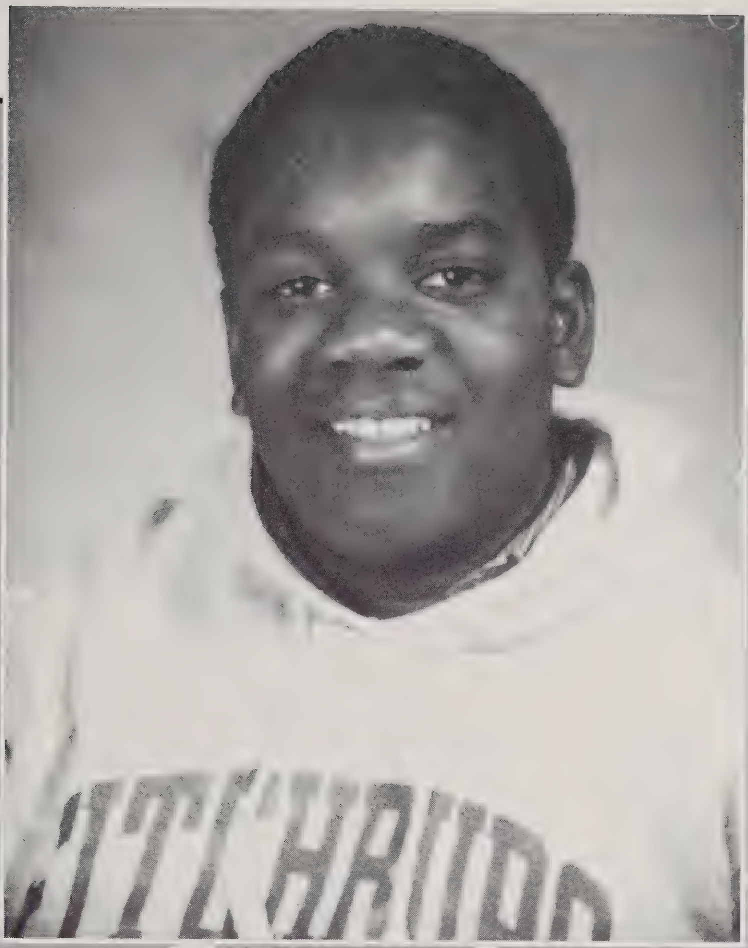












DEDICATION IN MEMORY OF
TONY ELYSSE

Tony Elysse was a member of the class of 1993. He passed away during our sophmore year. Tony had many hardships in his life, but this never kept the smile off his face. He had the special gift of making people laugh.

Although we have been kept busy with many important things, we have never forgotten our special friend. Tony may not always be with us, but he is always in our hearts.

INTO The GREAT WIDE Open

JUNIORS

Junior year was a time spent preparing for the future. The value of our friendships as well as the depth of our education increased. The seniors we once looked up to were moving on as we began to fill their shoes.

Involvement in school activities and sports began to reach a new high. Supporting our peers, classmates, and senior pals became our weekend ritual. Juniors were always present at rallies, games, and awards ceremonies. Homecoming Week displayed our spirit and funloving nature, and Student Santa proved our generosity to those unfortunate families in Waltham. The Gong Show showed how crazy our class could be, yet the induction of eighteen juniors into The National Honor Society showed our intelligence.

As most of us prepared for college, it was a process we would rather have skipped. With S.A.T.'s, A.C.T.'s, and the endless brochures in the mail no one could forget about the importance of the future. As we moved on we treasured the friendships made and lessons learned. May our senior year be filled with all that we desired.

We wish the graduates of 1993 our best of luck!

ADVERTISEMENTS

The Waltham High School Yearbook would not be possible if it were not for the support of local businesses, friends and families. Each year students rush to see who can collect the most ads because they are so important to us. Many thanks are due to those businesses who supported the publication of this yearbook and added beauty to many pages.

Although the economy has been in recession the support that we received did not decline. We are very grateful to those people who believe in the spirit of the Class of '93' and the spirit of Waltham High School.

. . . thanks to all the Moms, Dads, family members, friends, and Waltham businesses for their support!

THE KIRSCH OFFICE

DEDICATED TO THE CLASS OF 1993

Your Class of 1993
Soon will be leaving Waltham High
And fondly, and somewhat sadly,
You'll bid high school days, goodbye.

You'll take with you many memories
Of the happy years you shared,
With friends, and students, and teachers
While for the future, you prepared.

That some future now awaits you
As graduation nears;
You'll proudly accept the challenge
But you'll have your doubts and fears.

Take courage, you who graduate
You have so much to give;
You'll be the ones, who'll find the road
To a better way we live.

Your path may be to college
Or to busy industry;
Whatever you have chosen,
Do it faithfully.

Farewell, Class of 1993
Our hopes all go with you;
We all take pride and wish you well,
In everything you do.

YEARBOOK STAFF

Bottom: Lisa doing telemarketing.
Sue "See I can still smile!"

The 1993 yearbook was successful thanks to many who gave up their free time to create it. Several seniors and a few juniors volunteered free blocks, afterschool time, weekends, and long, hot days during the summer to make the yearbook complete.

Credit is also due to students who traveled to local businesses to seek ads to help defray cost. Many parents contributed to this fund. At rallies students were able to receive names of businesses that had not been contacted. The yearbook staff also raised funds at the Mayor's Picnic and hosted Senior Rollerskating Night, which was a huge success and an exciting night for all who attended. Local businesses, friends, parents, and families of the Waltham community helped the yearbook staff raise the $40,000 needed to produce this yearbook.

Co-editors of the 1993 yearbook were Margaret MacDougall, Susan Simeone, and Ann Sliney.. They and Jennifer Croteau, Brenda Keenan,Linda Valez,Cathy Ferlazzo,Heather Short, and Leah Tortola composed the Board of Directors. These seniors worked together for countless hours from September 1992 through the summer 1993. Their responsibility, education, and communication abilities put the 1993 yearbook together.

Mr. Stephen Grant was the advisor. It was Mr. Grant's second year at the task, and he was more dedicated than any member of the staff. He worked with us not only on school days, but also on his free weekends. Mr. Grant and his wife Norma put aside their lives and became the heart and soul of the 1993 yearbook.

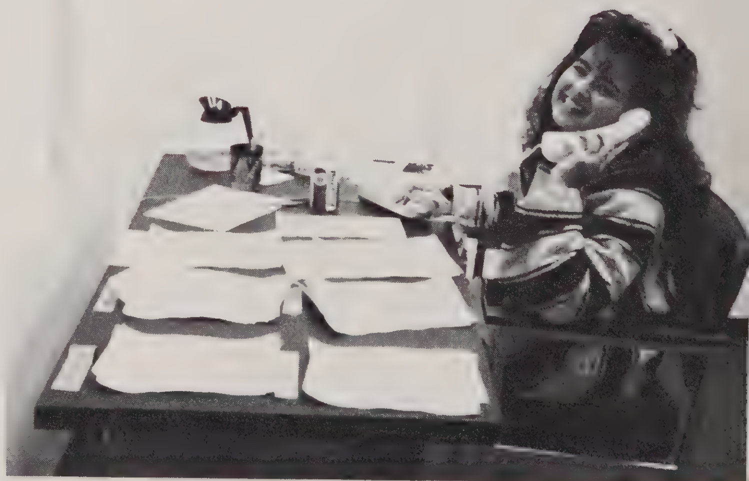
The yearbook staff worked together in their office on the third floor. Some days were great, but there were many stressful hours. Now those hours are behind us, and we can concentrate on reminiscing the best.

The theme of the 1993 yearbook is "Into the Great Wide Open." As we seniors take that step, we stop to thank all the people who helped us. The 1993 Mirror Staff would like to thank all the teachers, administrators, parents, and friends who contributed to our success. We would also like to thank all those students who gave up their free time to help produce this book.

We wish the Class of 1993 the best of luck. We hope the job that was done by our staff captures all the memorable times.

Note from the advisor

I would like to thank my editors and staff members for all their help and dedication in producing this manuscript. Also the staff and I would like to thank Mrs. Heaton,for her editing help with copy, and John Neister and Gina ,our Jostens' reps, for their technical support.



Ann "Don't worry Mr. Grant we will get it done."

REVIEW OF THE BACKGROUND AND ACCOMPLISHMENTS OF THE CLASS OF 1993

The class of 1993 has completed their studies at Waltham High School and Vocational High School and you have moved on to the next phase of your lives. It is worthwhile to reflect upon what you students experienced on the pathway to high school diplomas during your thirteen years of formal schooling and eighteen years of life.

Number of Graduates of the Class of 1993	403
Those Planning to Attend College (4 & 2 Year)	61%
Those Planning Other Post Secondary Study	4%
Those Planning to Enter the World of Work	30%
Those Planning to Enter the Military	2%
Those Indicating Other Miscellaneous Plans	3%

Chronology of the Eighteen Years of Life of the Class of 1993:

1975 Most members of the class were born this year.
1977 Four schools were closed — Hardy, Hill, Newhall and Banks Intermediate. This meant redistricting.
1979 Lawrence School closed with more redistricting.
1980 Students entered Kindergarten.
1981 Proposition 2 1/2 took effect resulting in many cuts, layoffs and changes in the schools.
1983 The Middle School Model was implemented. Grades 6-8 were included and Waltham H.S. and Waltham Vocational began to serve grade 9.
1984 School Street Elementary closed leading to further redistricting.
1985 Graduation requirements called the core curriculum began to be phased in with the entering freshmen (Class of 1989).
1987 All-day kindergarten implemented.
1989 School Administration building closed (488 Main St.)
1991 Central Middle School closed. Grade 6 returned to elementary level and kindergarten reverted to half-day program.
1993 Blizzard of '93, Lawrence School closed in 1979 was reopened as Special Education Early Childhood Center. Students of the Class of 1993 graduated.

During these years, the Waltham Public Schools closed eight schools, experienced staffing reductions and program cuts, implemented a three year middle school model and later altered it to two years, adopted all-day kindergarten and later reverted to half-day, and experienced significant staff transfers and reassignments resulting from consolidation and budgetary constraints. Waltham Schools attempted to maintain favorable class sizes, preserved remedial programs and programs for honors and advanced placement students and did not buy into fads which arose during this period such as open classrooms and open campuses. New textbooks and materials continued to be adopted and computers and other educational technology were incorporated. In spite of all of the changes and factors mentioned above, the Class of 1993 demonstrated resilience, as the school system continued to focus on the goal of providing meaningful skills for our students. International change also characterized the lives of the Class of 1993. Wars in Vietnam, the Middle East, Central America, Afghanistan, Africa and the Persian Gulf occurred. The removal of the Berlin Wall and the collapse of the Soviet Union also led to major changes. These events affected the families of some of our students directly. In addition, our student body came to reflect the cataclysmic changes which contributed to immigration patterns. Forty separate languages were spoken by our students at birth. Our national economic problems led to significant unemployment and hardships. Many of our students became eligible for free and reduced meals due to low family income. However, in spite of all these factors, our students continued to attend school and study.

Data Concerning the Students (K-12) of the 1992-93 School Year:

Total Students as of October 1, 1992	5,356	
Students for whom English is not 1st Language	1,310	24.5%
Students Enrolled in Bilingual/ESL	276	5.2%
Students Enrolled in Special Education	1,095	20.4%
Students Enrolled in Chapter I	406	7.6%
Students Eligible for Free & Reduced Meals	1,246	23.3%
Caucasian Students (Many different countries)	3,964	74.0%
Native-American Students	1	0.0%
Black Students (Many different countries)	361	6.7%
Asian Students (Many different countries)	322	6.0%
Hispanic Students (Many different countries)	708	13.2%

It is useful and important to reflect on the data pertaining to your graduating class and all our Waltham students so as to attempt to learn from your experiences just as we hope that you learned from your time in our schools. It is clear that the graduates of the Class of 1993 lived during difficult times for our city, the country and the world. Yet, you demonstrated a dedication to learning and a resilience which is a credit to yourselves, your families and our staff.

Dr. Emile Rosenberg
Assistant Superintendent

All pages were completed on Macintosh computers IIsi, and SE/30 using Aldus PageMaker 5,0, Adobe Illustrator 3.1, Adobe Streamline, Omni-Page Professional, Adlus Freehand 3.1 and MS Word 4.0. All paginated pages were submitted to Jostens on disks an were output to a Linotronic Imagesetter owned by Jostens at 1270 DPI.

Color separations were made from 35mm prints taken by staff photographers and were printed at Purdy Vantine Studios in Medford. Separations were performed by a laser scanner at Jostens and were individually separated with a 150 line screen. Black and white photos were taken, processed and printed by Purdy Vantine except where indicated. Student portraits were taken by Purdy Vantine Studios of Medford. Terry Bleiler was our representative.

All layout, design, copy and photographs were generated by Steve Grant and the staff. The 1992 Mirror, a 308-page publication, had a press run of 325 copies. Additional specifications may be obtained by addressing inquiries to The Mirror Yearbook Waltham High School Waltham, MA 02154

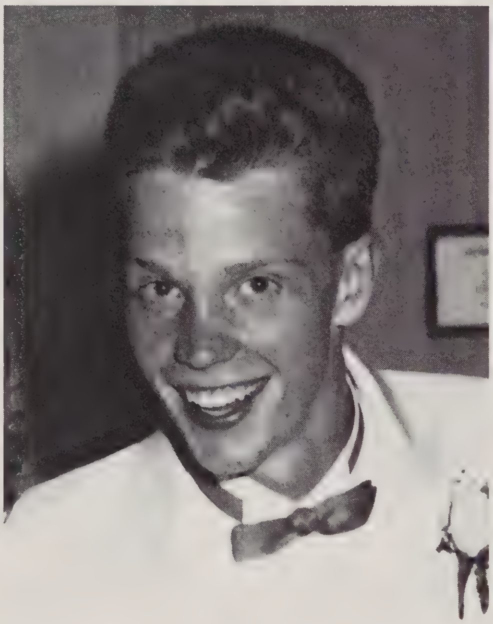
In Memory Of



Christopher LeBlanc

"Angels as well as birds can sweetly sing.
They too are known to hover above a nest
Wherein the swathed soul of man doth lie
Soft-hidden deep in matter as in wool,
And theirs, too, the prerogative of rest,-
To soothe at times in manner wonderful,

With kind and piercing glance of soul and eye."

Taken from "On Angels" by W.W.E. Ross

Peter C. Lancto

His accomplishments as a musician outside of Waltham High School are well documented, from Ringling Brothers Barnum and Bailey Circus to the Boston Pops. At Waltham High School, he was more than a musician; he was a teacher and a friend.

To those of us he conducted on stage, he gave a sense of accomplishment and pride in performing music to the best of our ability, far better than we ourselves anticipated.

To those in the audience, he gave the knowledge of appropriate and respectful appreciations for the musicians and their performance.

Some of us have special memories of the friendships he extended; classroom anecdotes and tall fishing tales.

All of us have lost a caring, concerned friend.

Thank you, Mr. Lancto. We'll miss you.
